Sri B. D. JATTI (Chief Minister).—Sir I beg to lay on the Table Notification No. GAD 23 GAM 61 dated 29-7-61 (Amendment to the Mysore Ministers Medical Attendance Rules, 1958) as required under sub-section (2) of Section 15 of the Mysore Ministers Salaries and Allowances Act, 1956.

CALLING ATTENTION TO A MATTER OF URGENT PUBLIC IMPORTANCE, NAMELY NON-PAYMENT OF THE OVERDUE IN STATE-MENTS IN RESPECT OF WELLS-SANCTIONED LAST YEAR.

†Sri G. B. SHANKAR RAO (Hirekerur).— Sir, I beg,to call the attention of the Minister for Revenue regarding the non-payment of the overdue second and sub sequent instalments in respect of the 1,500 wells sanctioned last year under the liberalised rules.

†Sri KADIDAL MANJAPPA (Minister for Revenue).--Sir, last year with the help of the Government of India, we took up a scheme of sinking 15,000 irrigation wells in the scarcity areas of this State. The Government of India were pleased to give initially a crore of rupees. Subsequently, another sum of crore of rupees was given to us. At that time, we understood that the balance of the amount *viz.* 2.5 crores will be given by the Government of India. After some correspondence, as there was some urgency, we had to divert Rs. 30 lakhs allotted for granting taccavi and land improvement loans, take an advance of Rs. 110 lakhs from Contingency Fund and Rs. 13.84 lakhs were available in the budget for this purpose. With this adjustment we were able to allot Rs. 153. 854 lakhs and a sum of Rs. 16 lakhs has to be found to pay the balance of the amount due to the persons who have undertaken to construct the irrigation wells. In this connection, I wish to submit that as against 15,000 wells originally proposed to be taken up, we have actually taken up 16,711 wells. In some districts, they have exceeded the target because there was need in some of the scarcity areas. Subsequently, there was a meeting on 26-7-61 at which the Union Deputy Minister for Agriculture was pleased to assure us that the Government of Indla will be able to give us an advance of Rs. 2.5. crores. The Government of India have advised us to meet the balance of 2.5 crores of rupees from our own resurces and to the extent it is not possible they would give it as an advance to be adjusted during the next four years.

Sri J. B. MALLARADHYA.—I want a little clarification.

Mr. SPEAKER.—There is no question of seeking any clarification. It is not a debate; it is simply a question of calling the attention of the Minister.

9-30 A. M.

†Sri KADIDAL MANJAPPA.—We have been advised by Government of India to find money for the 15,000 wells from within the plan ceiling by diversion of the savings in other sectors. To the extent it may not be passible even after diversion, the Government of India would consider it being an additional grant to the current year's cilling as advance against the grant to be given for Mysore Third Five-Year plan.

Sri B. D. JATTI.—Orginally we thought that we would get all assistance. But we got Rs. 2 crores and we are short of 2.5 crores. We requested the Government of India to advance. But they say it may not be possible to agree to give this much money now. They are suggesting that out of funds for minor irrigation work whatever money we have to get, during the third plan they are prepared to give that amount in advance. That is the position.

†ಶ್ರೀ ಜೆ. ಬಿ. ಮಲ್ಲಾರಾಧ್ಯ.—ಕ್ಲಾರಿಫಿಕೇಷನ್ ಬೇಕಾಗಿದೆ.

ಅಧ್ಯಕ್ಷರು.—2.5 ಕೋಟಿ ರೂಪಾಯಿಗಳಷ್ಟು ಹಣ ಬೇಕಾಗಿದೆ. ಇಂಡಿಯಾ ಸರ್ಕಾರದವರು ರಾಜ್ಯದ ರಿಸೋರ್ಸಸ್‌ನಲ್ಲಿ ಈಗ ಮಾಡಿಕೊಳ್ಳಿ, ಮೂರನೆಯ ಪಂಚವಾರ್ಷಿಕ ಯೋಜನೆಯಲ್ಲಿ ಬೇಕಾದರೆ ಕೊಡುತ್ತೇವೆ ಎಂದು ತಿಳಿಸಿದ್ದಾರೆಂದು ಹೇಳುತ್ತಾರೆ.

ಶ್ರೀ ಕಡಿದಾಳ್ ಮಂಜಪ್ಪ.—ಅಗ್ರಿಕಲ್ಚರಲ್ ಸೆಕ್ಟಾರ್‌ನಲ್ಲಿ 2.3 ಕೋಟಿ ರೂಪಾಯಿಗಳನ್ನು ಒದಗಿಸಿದ್ದೇವೆ, ಈ ಲಿಮಿಟ್ ಈ ವರ್ಷ ಮೀರಿದರೆ.....

Sri C. J. MUCKANNAPPA.—Sir, according to rule 63 the Minister has to make a statement and there is no room for any clarification or debate. The Hon'ble Chief Minister has intervened to make a clarification. I think it is not in order.

Mr. SPEAKER.—It is perfectly all right. Minister means any Minister.

Sri KADIDAL MANJAPPA.—There is a provision in our budget for spending Rs. 2.3 crores for minor irrigation under various sectors. The Government of India's letter indicates that if we spend more money over this sum of Rs. 2.3 crores, they will advance the additional amonnt upto Rs. 2.5 crores to be adjusted in Third Five Year Plan.

Presentation of the Twentieth Report of the Business Advisory Committee.

Mr. SPEAKER.—I present the Twentieth Report of the Business Advisory Committee.

Mr. DEPUTY SPEAKER.—I move that this House do agrees with the 20th Report of the Business Advisory Committee

Mr. SPEAKER.—Motion moved:

"That this House agrees with 20th Report of the Business Advisory Committee."

Sri M. C. NARASIMHAN.—Sri, I beg to move that in sub-clause (a) of clause (1)—Land Reforms Bill, instead of the figure "3" the figure "4" shall be substituted."

Mr. SPEAKER.—Amendment moved.

"That in sub-clause (a) for the figure "3", the figure "4" shall be substituted.

Sri M. C. NARASIMHAN.—Sir, yesterday it was that it would be a full day but it was only half a day. Only four Members could speak on the Land Reforms Bill. So, if we have this as three days, effect it would come to only 2½ days. As there are many members who want to speak I suggest that we may have it as four days.

†Sri B. D. JATTI.—In the Business Advisory Committee all these points have been taken into consideration. It was agreed that for further discussion on the Bill 3 days might be allotted and for clause by clause consideration another 5 days could be allotted, in all 8 days. It is better to adhere to the decision of the Business Advisory Committee.

Mr. SPEAKER.—The question is:

"That in Sub-Clause (*a*) for the figure "3" the figure "1" shall be substituted".

The amendment was negatived.

Mr. SPEAKER.—The question is:

"That this House agrees with the 20th Report of the Business Advisory Committee."

The motion was adopted.

MEMBER'S REPRESENTATION

†Sri M. C. NARASIMHAN.—Before we take up the next item, i.e., further discussion on the Land Reforms Bill, I should like to submit that according to rule 28 for every 14 days of official business one day has to be allotted for the non-official business. So far no day has been allotted for the non-official business. The second difficulty is, according to the Business Advisory Committee Report, we have to carry on legislative business upto 10th of this month. I understand as it stands at present, the business has to come to a close by the 9th of this month. So, there is every chance of our losing non-official business.

Mr. SPEAKER.—We are sitting longer.

Sri M. C. NARASIMHAN.—So, this will not be lost.

Mr. SPEAKER.—No.
